

## Lesson 17

### Today in Class

Miss Fanny Mendelssohn reviewed our musical alphabet and we even learned to say it BACKWARDS! It's tricky but fun. We played old familiar songs and learned to play "Mary Had a Little Lamb".

### This Week at Home

- Do the lesson with Miss Fanny again and see if you can say the musical alphabet backwards!
- Visit Miss Melody for lots of fun ideas to review what we've learned.
- Play "Mary Had a Little Lamb" for lots of people. Play it for your friends or your babysitter or maybe one of your Mom's friends! How many people can you play for?
- Go to the Games Room and help put the toys in the toy box. Remember that for this game you'll use your computer letter keyboard (not your piano keyboard) to show which letter from the musical alphabet is missing.
- Maybe you could play this game and take turns with you adult!
